If you're a family with school-age children and participate in a government program, you could qualify for Connect2Compete

Connect2Compete is a Cox sponsored program designed to help people save and stay connected.

Cox Internet service is subject to the Cox Residential Customer Service Agreement (<http://cox.com/rcsa>), Acceptable Use Policy (<http://cox.com/aup>), and other policies. Program offers one non-transferable discount per eligible residential household (most discounts applied via monthly credit w/in 1 billing cycle). Program, including eligibility criteria, package details, and pricing/discounts may change. For more details and eligibility requirements, visit cox.com/connect2compete. Other restrictions may apply.
