1. 5G service available with 5G plan. 5G network coverage required; available only in select areas; device not compatible with all 5G networks. Contact your service provider for details. 2. All battery life claims are approximate and based on the median user tested across a mixed use profile (which includes both usage and standby time) under optimal network conditions. Actual battery performance will vary and depends on many factors including signal strength, network and device settings, temperature, battery condition, and usage patterns. 3. Water-repellent design creates a barrier to help protect against moderate exposure to water such as accidental spills, splashes or light rain. Not designed to be submerged in water, or exposed to pressurized water, or other liquids; may diminish over time. Not waterproof. 4. Available user storage is less due to many factors, including operating system, software and functions utilizing part of this capacity; may change with software updates. 5. Supports up to 1TB microSD card, microSD cards sold separately. Content with DRM restrictions may not be able to be moved to the card. 6. A minimum device refresh rate of 60Hz and a maximum refresh rate of 120Hz; actual refresh rate may be less and will vary based on app/content limitations and requirements, device mode settings, and other factors. 7. RAM Boost extended RAM requires use of phone's internal storage as virtual memory, decreasing storage capacity; available user storage is less while in use; feature on by default unless turned off. 4GB physical RAM + up to 4GB RAM Boost (2GB Default | 4GB Max). 8. The 50MP sensor combines 4 pixels into 1, for an effective photo resolution of 12.5MP. 9. Auto smile capture can recognize up to 5 faces/people in the same frame. 10. Charger may be sold separately. Maximum 18W TurboPower™ charging speed on device. In-box charger varies by market. Check with your carrier or retailer for availability. 11. NFC-supported payment terminal and app required. Requires fingerprint authorization for purchase.
